Luxembourg, 19 September 2017

BIP together with Luxempart S.A. have jointly acquired a majority stake in **ARWE** Holding GmbH in a Management Buyout from Triginta Capital Fund I GmbH & Co. KG

The arwe group is a successful service partner for automotive manufacturers and dealers, car rental companies, car sharing providers and leasing companies, providing automotive services and car turnaround management to renowned customers such as AUDI, BMW, DAIMLER as well as AVIS, EUROPCAR, HERTZ, SIXT and major European Airports. By designing customer-oriented mobility solutions the company has reached a market-leading position in Europe with operations in Germany, UK, France, Spain, Austria and Belgium. Headquartered in Munich, arwe group employs around 5.000 employees and has a 45-year history.

The strategic goal of the arwe group is to continue its growth strategy in Europe and Overseas with innovative mobility concepts and the development of new business fields.

**About BIP:** BIP is an independent investor based in Luxembourg with proven experience and a sustainable track record. It invests in medium-sized companies with a clear growth perspective, especially in Germany, the Benelux countries, France, Austria and Switzerland. BIP supports the further development and expansion of companies in various sectors, both through relevant expertise and through the provision of financing for growth initiatives or acquisitions.
