### **BIP General Partner announces the successful closing of BIP IV SCSp**

BIP General Partner is very pleased to announce the closing of the new Fund BIP IV SCSp (the “Fund”, “BIP IV”) at a size of around EUR 82 million of commitments. Commitments have been received from family office shareholders, having already invested in previous funds managed by BIP, as well as new investors.

BIP has been created in 2000 and has focused its activities on Private Equity investments in 2011, being successful since then with BIP FUND (SCA), SICAR launched in 2017, BIP Interim SCSp launched in 2021 and BIP IV SCSp launched as of the date of today<sup>1</sup>. BIP is mostly backed by Luxembourg families and Luxembourg based family offices. BIP is managed by Katrin Wehr-Seiter, CEO, and Sebastian Brose, Partner.

The Fund will invest in small- and mid-market companies with clear growth perspectives and value creation potential which are located in Austria, Germany, Switzerland and the BeNeLux region. Typical investments of the Fund will range between EUR 8 and EUR 20 million per investment with select co-investment possibilities for investors.

BIP IV is currently in process to identify and realize attractive investment opportunities with a potential first investment in the software field expected to be implemented in the first half of 2025.
