

## **BIP and BEDR jointly invest in JUNIKOM, a platform for municipal software companies**

Munich/Luxembourg, June 1<sup>st</sup>, 2025

The investment fund BIP IV SCSp ('BIP'), advised by BIP Capital Partners, Luxembourg, together with BEDR Company Partners GmbH ('BEDR') jointly invested in JUNIKOM Holding GmbH in May 2025. JUNIKOM, a platform for municipal software companies based in Munich, has in turn acquired stakes in four different software companies that are among the leading vendors of software applications for public administration in their respective niches.

JUNIKOM's platform strategy enables a multitude of growth-oriented synergies, from which all JUNIKOM investments will benefit in the future.

Mr Oliver Eiler, CEO of BEDR, commented on the successful transaction: 'We are delighted to be implementing our entrepreneurial vision of a platform strategy for software providers in the public sector with the support of BIP Capital Partners.'

Mr Sebastian Brose, partner at BIP Capital Partners, added: 'In our view, software for public administration is a highly attractive market that will benefit structurally in the foreseeable future from the need for digitalization to increase efficiency. Pursuing a platform strategy in this segment holds great potential for all companies in the JUNIKOM Group.'

### About BIP:

BIP invests in medium-sized companies in Germany, Austria, Switzerland and the Benelux countries. BIP supports the growth and organizational development of its portfolio companies, both through its extensive expertise and by financing further growth initiatives or acquisitions.
